

## Residency Program 2016

### Applications Now Open

The Butcher Shop has up to 4 residency opportunities for 2016 - applications are currently open by expression of interest.

Successfully applicants will receive 2 months free studio hire and an instore exhibition.

Studio space is available upstairs at our Northbridge store - an inner city shared studio space.

#### About the studio space -

Our Northbridge store is 5 minutes walk for Perth's central train station, the ultimate inner city studio location. Our studios house 3-4 artists. A private room or shared space is available depending on your needs. The studio is located above the store in a heritage building with great natural light and fresh air. It is air conditioned and desks, easels, chairs etc are available for use. The space is suitable for canvas work but not suitable for aerosol work if other artists are working. A ground floor courtyard area is available for aerosol work if needed. The studio space is accessible 24 hours. The studio space will be provided free of charge to successful applicants, including all utilities such as electricity, internet etc.

#### About the instore exhibition -

During or at the end of the residency it is required that artists have an exhibition at The Butcher Shop. We have a modest art space, however if your exhibition is large scale we are happy to provide what support we can to include larger areas, outdoors areas, mural etc as part your exhibition. A 25% commission will apply to exhibition sales.

#### How to apply -

We don't need an essay, just a good understanding of who you are, what work you have been producing and what you would like to achieve during your residency. In your application please include the following information:

- Name
- Email
- Phone
- Location
- Links to examples of your past work (website, Facebook, Instagram etc)
- What is your preferred 2 month period of 2016 to conduct your residency?
- What would you like to achieve for your exhibition?
  - tell us a little bit about what work you expect to produce
- What else will you be doing during your residency period?
  - will you have a full time or part time job, will you be studying, will you be visiting Perth especially for your residency
- If you are invited to accept a residency will your participation depend on receiving a grant?
  - if so what deadlines, time frames etc are associated with this?
- Anything else you would like to tell us?

Please email your application to [aimee@thebutchershop.com.au](mailto:aimee@thebutchershop.com.au)

#### Questions?

If you need any further information please feel free to get in contact.
