

Learning Plan

An Introduction to Urban Art

PROJECT DESCRIPTION : Urban Art is a style of art that relates to cities and city life often inspired by fashion, music, architecture and other aspects of city life. This term you will be drawing inspiration from Western Australian Urban Artists to create your final artwork. Throughout this project you will be learning loads of skills that Urban Artists use to create their artworks.

TIMELINE :

WEEK 1	Introduction to project, define what Urban Art is. Create a cover page for your Art Folder with a Graffiti Style font using colour and pattern.	Arts in Society Arts Skills and Processes
	Refer to: Typography Worksheet, Shading Worksheet	
WEEK 2	During the Urban Art Walking Tour , you will be looking at prominent street Art murals in Northbridge to gain inspiration for your own work. While on the excursion you will also be taking photos in the city of buildings, streets and artworks that interest you. This research will be crucial in the later stages of this project when you begin to create a design.	Arts Skills and Processes Arts in Society Arts Ideas
	Refer to: Excursion Guide, Urban Art Walking Tour Worksheet	
WEEK 3	Perspective and colour will be a focus in your later artwork. Artists have methods and rules to help create three dimensional effects in their artwork. You will be looking at these rules and drawing a perspective drawing from your photos on the excursion. Colour is used to create both interest in artworks and communicate feelings, you will be creating a perspective drawing of a street scene using colour and pattern .	Arts Ideas Arts Skills and Processes
	Refer to: Perspective Drawing Worksheet	
WEEK 4	You will Learn about the proportions of the face and how to draw facial features. Then you will draw a face which exaggerates features to portray emotion .	Arts Ideas Arts Skills and Processes
	Refer to: Drawing the Face Worksheet	
WEEK 5	Stylising facial features and the proportions of the figure is how cartoonists and illustrators create characters. You will be creating a character using both stylisation and exaggeration of proportions and features.	Arts Ideas Arts Skills and Processes
	Refer to: Drawing Characters Worksheet	
WEEK 6	Using your perspective drawings , stylised character and cover page lettering you will be experimenting with various compositions .	Arts Ideas Arts Skills and Processes
	Refer to: Composition Worksheet	
WEEK 7	You will be using all of your drawings and research from the project to create a scaled design for your final artwork .	Arts Ideas Arts Skills and Processes
	Refer to: Final Artwork Worksheet	
WEEK 8	Complete your final design and colour studies. Begin your final artwork.	Arts Ideas Arts Skills and Processes
	Refer to: Final Artwork Worksheet	
WEEK 9	Work on your final artwork.	Arts Ideas Arts Skills and Processes
